Staff Directory

Nolan R. Baker

Nolan is the owner. **Nolan is an Investment Professional.** He is also a Financial Talk Show Host, and Executive Director of the Professional Resource Alliance. He specializes in providing retirement solutions for seniors and retirees using profit building financial systems that are designed to protect your life savings.

Brent Hamilton

Brent is the **Chief Insurance Officer.** His areas of expertise include helping seniors and retirees protect their life savings from being wiped out from a health care crisis, how to maximize the legacy you leave to your loved ones, and how to minimize the amount of money you waste on taxes and other financial expenses.

Alex Ruiz

Alex is the **President** and is in charge of Sales and Marketing. He takes an active role in maintaining the business planning and growth aspect of the Retirement Specialists.

Kathleen Filson

As the **Director Of Public Relations**, my responsibility at is setting up speaking engagements for Nolan at various Organizations, like Senior Centers, Charitable Organizations, Retiree Clubs, and Business Group. I have spent a lot of time working on building our list of places to contact. But, I need your help. If you belong to an organization or club or a group that you feel would be good to have Nolan speak ad, please give me a call.

Karen Baker

. At the Retirement Specialists, my job is the **Director of Operations and Event Coordinator**. I get the fun job of planning all of the details for the client events, parties, and Nolan's speaking engagements. I also am in charge of helping clients transition to our Firm and I also handle a variety of Services needs of our clients.

Jean Quinlan

Welcome to the Retirement Specialists, my name is Jean. I am the **Director of First Impressions**. I am here to help make your visit an experience. I am the wonderful woman that will first greet when you stop in to see us. As you arrive, please let me know how I can help you enjoy your stay with us.

David Macino

I am an Investment Professional. I am here to help make your retirement more relaxing. My job is to help you develop a customized plan to help you reach and exceed your financial goals. Let me know how I can help you.
